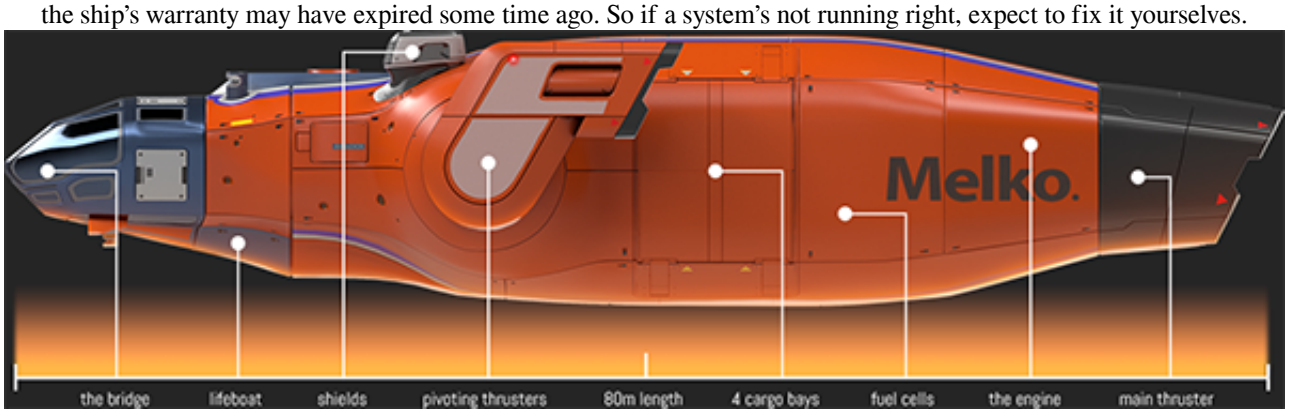
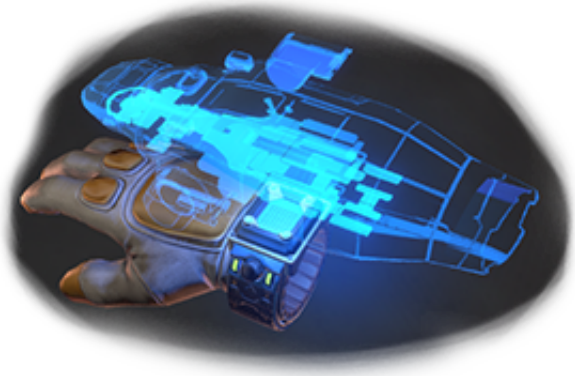
About This Game

Operate a glorious space truck that comes fully equipped with everything you need to make space delivery possible. However, the ship's warranty may have expired some time ago. So if a system's not running right, expect to fix it yourselves.



Fun co-op gameplay

Alas, space is a dangerous place. Your trusty space truck will never be well-equipped enough! Teamwork skills are crucial to become the best space trucker there is. So while your crew mate's putting out a fire, go fix the shield or find out why the fire started. No lollygagging!



Fast-paced & high-intensity VR experience

A good space trucker crew delivers their cargo on time. A great space trucker crew delivers their cargo on time with their ship intact. Be vigilant! An experienced space trucker will detect and prevent catastrophic malfunctions before they even begin. There's never a dull moment in space delivery!

– Comical and chaotic, each play session lasts around 10 minutes requiring tight co-op communication and fast fixing physical skills, creating short bursts of fun with friends as everything potentially can go wrong.
